

March 2010

Dear Member of the Heriot Community,

350th ANNIVERSARY USHER HALL CONCERT

I am delighted to tell you that we are expecting delivery of the DVD of the 350th Anniversary Usher Hall Concert within the next few days.

As those of you who were present will recall, this was an evening when the School's musicians scaled new heights of ambition and excellence in a tremendous performance which blended moments of lyrical beauty with soul-stirring grandeur. It truly was a concert worthy of the special anniversary which it marked, and the DVD, produced for us by AE Productions, is an excellent memento of a memorable occasion. There have been a few technical issues to sort out along the way, which has taken time, but we are very pleased with the final product and I hope you will agree it is worth the wait. It includes a full length recording of the whole concert, chapters which allow specific items to be selected and viewed individually, footage of the rehearsals and a gallery of still photographs.

The DVD is on sale at £12 + £1 postage. If you would like to place an order, please return the tear off slip below to the School Office together with a cheque made payable to George Heriot's Trust.

Yours sincerely,

A G Hector
Headmaster

Please return to: The School Office, George Heriot's School, Lauriston Place, Edinburgh EH3 9EQ
