Stay in touch with Heriot's

We would like to keep you up-to-date with news from Heriot's. Periodically, we send information about the School and the Heriot's community (for example *Quadrangle* magazine) and may contact you about reunions, events, fundraising or matters which we think may be of interest to you as a member of the Heriot's community. In any 12-month period we limit the number of communications we send to you.

As most Herioter's have a lifelong association with the School, we retain your details until such time that you decide you no longer wish to receive communications from us. You can opt out of future mailings at any time (contact details to do this are included on each mailing).

To do this we keep the personal information that you have given us, and that which we may receive from other former pupils and public sources, in our database. As is set out in the Heriot's Privacy Policy, we never share your personal information out with Heriot's. We take your privacy and communications preferences seriously and have recently updated our policy on how we manage personal information and communicate with our former pupils and friends. You can read our full Privacy Policy online at www.george-heriots.com/privacy and we are happy to send you a printed copy on request (please contact the Development Office).

If, at any time you would like a copy of the information that we hold about you, wish to update your contact details or ask us not to contact you further, please get in touch. The Development Office email is development@george-heriots.com or telephone 0131 221 6716 and the team will be delighted to help.

I have read the above information and agree for the details I give below to be stored securely for the purposes outlined above.
